

## EGOR TABS

### ACCESSORIES

### DESCRIPTION

Egor Tabs are used to attach IR emitters to the equipment. Cleaner and faster than using hot melt glue, Egor Tabs hold equally well. Egor Tabs will help in reducing costly service calls. Easy to carry in your pocket, and even easier to apply.

### FEATURES

- Completely invisible when installed
- Removable
- Use any type of IR emitter
- Resealable pouch fits in your pocket

### SPECIFICATIONS

- Retail pack: 10 tabs (one sheet) and a cleaning pad
- Bulk pack: 400 tabs (forty sheets) and no pads
- Sized to fit all IR emitter types
